Murray County EDA

The Murray County EDA works to ensure that Murray County develops in an economically sustainable manner while ensuring that its growth is coordinated with its ability to provide infrastructure and services.

The Murray County EDA operates through the Murray County

Economic Development Office and in cooperation with other local, regional and statewide organizations, public

and private, to promote and enhance managed business development and retention in Murray County and Southwest Minnesota.

While the Murray County EDA is very interested in business recruitment, helping the county's current and prospective business owners is a top priority.

How We Can Help

- ◇ We assist individuals and businesses with:
 - *Writing business plans*
 - *Developing financial plans*
 - *Securing financial packages*
 - *Expansion, relocation or start-up opportunities*
- ◇ We provide information about and referrals to other agencies that provide assistance
- ◇ We assist in obtaining funding and incentives, including :
 - *Murray County Revolving Loan Fund*
 - *Minnesota Investment Fund*
 - *Minnesota Job Creation Fund*
- ◇ We provide demographic and statistical information to business decision-makers and site selectors
- ◇ We will work closely with other organizations to develop the best possible package of resources to help your company!

Why Murray County?

Murray County offers many advantages to the savvy business owner. In addition to having a hard-working, well-educated local workforce, Murray County is conveniently located with main transportation arteries passing through the county: US Highway 59 and State Highway 30. Interstate 90 is just 15 minutes south of the Murray County line. And Interstate 29 is just 1 hour west.

Murray County and its local communities are a great place to raise a family as well. Most of the products and services you need can be found within our county's boundaries. We have reasonably priced housing, superb healthcare facilities, churches for a variety of faiths, and multiple other amenities, including excellent schools.
